# ACKNOWLEDGMENTS

## THE JOHN A. HARTFORD FOUNDATION

We are indebted to The John A. Hartford Foundation for their unwavering commitment to “improving the quality and financing of health care and assisting the health care system to accommodate the nation’s aging population.” The innovative programs developed with their support will provide better health care for current and future generations of older adults.

We are grateful for the wisdom and guidance provided by Laura A. Robbins, Senior Program Officer for the Increasing Geriatrics Expertise in Surgical and Related Medical Specialties (Geriatrics for Specialists) project from its inception through October 2003.

We thank the members of the Board of Trustees and Cory H. Rieder, EdD, Donna Regenstreif, PhD, Christopher A. Langston, PhD, and the rest of the staff at The John A. Hartford Foundation for their continuing guidance and support of our efforts to improve the care provided to older adults by surgical and related medical specialists.
